

**Dept. of Animal Sciences & Industry**  
**Departmental Lists**  
**2025-2026 Academic Year**

Courses from this list may be used to fulfill a K-State Core requirement and Block A, B, C, or D, but may not be used to meet any other degree requirement. For example, CHM 110 + 111 may be used to meet the Natural & Physical Sciences requirement of the K-State Core. CHM 110 may also be used to fulfill a Science requirement, but then may not be applied in Block C or D. However, if the Science requirement is fulfilled by BIOL 198 and CHM 210, CHM 110 may be applied in either Block C or D (but not both).

**Block A – Agriculture Courses**
